WRIT PETITION No.15507 of 2007

ORDER : (Per Hon'ble Sri Justice Bilal Nazki)

An assessment pertaining to the year 2006-07 has been challenged in this writ petition. Earlier also, a writ petition was filed with respect to different assessment year. There is a ruling by the Authority for Clarifications and Advance Rulings, which is against the petitioner and it may govern his present case as well and in fact, the assessing authority has also relied on that ruling. The earlier writ petition being writ petition No.19136 of 2006 was disposed of by this Court giving liberty to the petitioner to approach the appellate authority. Counsel for petitioner submits that appeal against the ruling of the Authority for Clarifications and Advance Rulings is before the Tribunal and as long as the ruling of the authority is there, he will have to suffer the orders of assessment. He submits that a direction be given to the Tribunal to dispose of the appeal expeditiously because, that may govern the

present assessment as well.

In this view of the matter, we dispose of the writ petition after hearing the learned Government Pleader, with a direction to the Tribunal to dispose of the appeal within a period of two months from today. The petitioner is also at liberty to take appropriate remedies available to him in law, challenging the impugned assessment.
